This is quite a big weekend in Armidale and accommodation may be hard to get. The website gives a pretty detailed lot of info. It would be appreciated if this could also be posted on to the NSW website.

Ian's Joke Corner:

Subject: Old Age

No one believes Seniors ...everyone thinks they are senile . An elderly couple were celebrating their 60th wedding anniversary.

They had married as childhood sweethearts, and had moved back to their old neighbourhood after they retired.

Holding hands they walked back to their old school. It was not locked, so they entered, found the old desk they'd shared, and where Andy had carved "I love you, Sally".

On their way home a bag of money fell out of an armoured car, practically landing at their feet. Sally quickly picked it up, but not sure what to do with it they took it home. There, she counted the money, \$50,000.

Andy said "We've got to give it back"

Sally said "Finders keepers", put the money back in the bag, and hid it in the attic.

The next day two policemen were canvassing the neighbourhood looking for the money, and knocked on the door.

"Pardon me, but did either of you find a bag that fell out of an armoured car yesterday."

Sally said "No" Andy said "She's lying, she hid it up in the attic".

Sally said "Don't believe him, he's getting senile" The police turned to Andy and began to question him.

One says "Tell the story from the beginning".

Andy said " When Sally and I were walking home from school yesterday....."

The first policeman turns to his partner and says "We're out of here."

DINNER CONVERSATION GONE WRONG

WIFE: "What would you do if I died? Would you get married again?"

HUSBAND: "Definitely not!"

WIFE: "Why not - don't you like being married?"

HUSBAND: "Of course I do."

WIFE: "Then why wouldn't you remarry?"

HUSBAND: "Okay, I'd get married again."

WIFE: "You would? (with a hurtful look on her face)."

HUSBAND: (makes audible groan).

WIFE: "Would you sleep with her in our bed?"

HUSBAND: "Where else would we sleep?"

WIFE: "Would you replace my pictures with hers?"

HUSBAND: "That would seem like the proper thing to do."

WIFE: "Would you play golf with her?"

HUSBAND: "I guess so."

WIFE: "Would she use my golf clubs?"

HUSBAND: "No, she's left-handed."

WIFE: - - - - silence - - - -

HUSBAND: "SH*T"
