From the Desk of the Secretary:

For my first duty, as the new Secretary for Warringah Archers, I am pleased to announce that we have had our AGM on Sunday 14 September and that we have managed to secure the services of some top professionals in their respective fields to stand as committee members for the club. The positions nominated at the AGM were vacated and then unanimously the club members voted in the following members to the executive positions:

- | | |
|----------------------|--------------------|
| • President | Steve Jennison |
| • Vice President | Steve Salmon |
| • Treasurer | Ian Harper |
| • Secretary | Jim Barber |
| • Recorder | Elizabeth Jennison |
| • Executive Member 1 | Tom Peek |
| • Executive Member 2 | Mark Lapworth |
| • Executive member 3 | Geoff Benstead |

We would like to thank these members for assuming the challenge for the coming year and we are nominating "Communication" as the key focus for this team in the coming months. Steve Jennison and Steve Salmon will again lead the team and also the young archers in reaching their shooting goals through the Coaching program and QRE's. Elizabeth will continue in her role as Recorder and Editor – in – Chief of the Newsletter, but as always, is looking for stories, pictures and the odd joke to fill out the pages. Ian Harper will continue the task of trying to balance the books and I will take care of the mail and procedural items that arise.

While we have some significant financial challenges nominated in the Treasurer's Report we are building a great team of young archers and excellent coaches within the Club. While most of the Executive Team are around on the weekends to shoot or coach, if there are any pressing issues please approach someone to discuss ways to improve our Club.

We would also like to thank the outgoing members of the Executive who have stepped down from their position and wish them well in the coming year with

their change in priorities. Barry Ward (retiring Secretary) will be leaving the Club for pressing family commitments and Rin Barbieri (retiring vice-president) will be spending most of his time assisting his son Jaime to meet his aspirations at state and national level in our sport.

In keeping with our theme of "Communication" we will attempt some new ways of increasing our presence through the media and corporate sponsorship, and as I said previously, if you have any ideas to contribute to the running of your club, please have a chat with an Executive Meeting

Best wishes to the new executive for the coming 12 months.

Jim Barber - Secretary

BITS & BOBS

Score sheets - After a club member has shot an associated round, their score sheet should be placed in the Recorders workbox, they should not be removed from the club. The Recorders Workbox is emptied on a weekly basis / scores / records updated based on the information at hand. Anyone placing a score sheet in the Recorders work box after it has been emptied, or from a round shot one and sometimes two weeks previously, will not have their score recorded. There is no need for members to take score sheets home, as once scores are recorded they can be forwarded to club members at any time on request.
